

To All,

I just received the amazing package that you sent and wanted to thank you personally. It is, by far, the best support box we have received since I have been here. I say "we" because I share everything with all of my Soldiers...after I pick what I want, of course! The only thing I hoarded was the one-time-use video recorder. My mother is always worried about how I am living over here, so I will be using that to send her a video of all the sandbags and concrete barriers that surround me daily. Of course I will point it at myself so she has proof that I am not unhealthy or as skinny as she always seems to think I must be in a war zone. Thanks to wonderful folks like you all, I have plenty of candy and fatty snacks to keep me at a good fighting weight!

But, as I type this, there are about four Soldiers digging into the box. I had better get over there and get some of the goodies before those heathens take them all. Again, thank you from the bottom of my heart. It is such a great feeling to know that we are supported so strongly.

Yours in Service,
