

Dear Joe,

My name is Cynthia
Carlucci (mutual friend is TA-TA
Martha Cuccinotta). I received
the box of goodies your organization
was kind enough to send me.
It was just great and everyone
was jealous. Of course I
shared. I can't thank you
enough for the support. Every
little bit of home makes a
difference. People like you,
Joe Looker, Donald Ritacco &
Ken Reinboth make a
difference. Please thank
Sally Campbell and Girl Scout

Troop 1337 for the cookies.
They were a big hit. I was
a Girl Scout Cadet & a Brownie
Leader for my 2 youngest
daughters so we share a
kinship. Also my thanks
to all the members of your
organization. I had thank
you to Eileen Dina for the
rosaries. What an awesome
idea. If she could send a
few more to share with some
of my fellow soldiers it would
be great. Thank you all
again and God Bless you.
