

SEP-2009

Dear Joe,

Today the package came in from the American Troop Support Team. I wanted to take a minute to thank all of you for the time you took to put together all the great stuff. By the end of the day I had opened the box to all the soldiers in my area and everything was gone. Everyone is so happy for the items. I really enjoyed the two personal notes from Justine Gesyaldi and an unknown author. Both are taped to the wall in my chew (Room).

There is no way I can thank everyone they do for us. Please pass the word that we all love what you all do.

Thanks Again.
