

Dear Mr. Joe Natale,  
I wanted to thank you and the other members of the American Troops Support TEAM for the care package. I as well as the other members of my scout team who I've shared the contents with really appreciate all that was given to us.

I am currently stationed in a small forward operating base south of Kirkuk in the Northeast part of Iraq. It is the same area I worked in last year, so I know most of the land. I am the team leader for a six man scout/sniper team. We work hard out here, leaving the wire for days at a time. It is nice to know there are still some people back in the states grateful for what we do. Thank you and everyone once again.
