

JUNE - 2007

Mr. Joseph P. Natale

I want to thank you for all the care packages you have sent me. The items you sent were very useful for my fellow soldiers and I. But more important was your support. Thanks for supporting the troops out here. I appreciate all that you do, may God bless you, your family, and all those on the American Troop Support Team. You are the real heroes.

Sincerely,

SGT Jose R. Alicea-Torres
