Dear Joe Natale and The American Troop Support Team:

Thank You. What a wonderful day it was to receive your Soldier Support Package. The emotions I felt were of great appreciation and honor. I fought back tears of joy but lost.

I am so grateful for having such an amazing country to call home. YOU ARE MY HOME. The people I love and honorably serve for Freedom and Justice for you All.

I can not possibly comment on all the items in this box. Each one is treasured but the two that are most precious are the beautiful support letters you see in my hands. The hand over my heart is my extended love to you as well, Meghan Sonntag and Hailey Marcotte. Your letters will be kept with me, in the right sleeve pocket (with the American Flag patch) of my uniform, everyday till my mission is complete and I am home.

Respectfully and Honorably Yours,

MAJ Kevin P. Ziegler
